

material wealth because God *promised* it, unconditionally to Abraham. The birthright blessing was *denied* our forefathers because they refused to live by God's Law's.

And today God warns us, through many prophecies in Jeremiah, Ezekiel, Isaiah, Micah, and many others, that unless THIS GENERATION stop's breaking God's law's, and turn to Him with fasting and earnest prayer, He will DESTROY OUR CITIES and our MILITARY INSTALLATIONS with a modern weapons attack by Germany! He will punish us at the hands of a cruel enemy; WE WILL BE DEFEATED AND MADE SLAVE LABOR! God help us to believe this WARNING!

If we are not the descendants of ancient Israel the so called "lost" Ten Tribes, actual inheritors of the birthright blessings which were to be given beginning A.D.1800, then who else can be? No other nation or combination of nations possess such wealth, for we held more than two-thirds nearly three-fourths of all the raw materials, resources, and wealth of this entire earth, and all other nations combined shared only a small part.

Do you know of *stronger proof* of the inspiration of the Bible and the existence of God? Could men have written those prophecies we have considered here, made those promises to Joseph-Israel, and after a lapse of 2520 years, beginning the exact year of 1800, have had power to bring them about? These are no small promises, they involved possession of the great wealth and vast natural resources of the entire earth on which we live!

How any American, any English-speaking person, with such overwhelming fulfillment of prophecy, such demonstration of the power and faithfulness of God can accept these blessings, and then carelessly ignore God's WARNING that our sins today are increasing, or fail to go to our knees before God, repent and pray for our nations, and help in every way to WARN our people of the dangers facing our nations seems impossible to conceive!

Our nation's destruction is close. In this fearful atomic age, World War III will *start* with NUCLEAR DEVESTATION of London, Birmingham, Manchester, Liverpool, New York, Washington, Detroit, Chicago, San Diego, Los Angeles, San Francisco and Seattle without warning! God help our nations to wake up before it is too late!

The United States, Britain, Canada, Australia and New Zealand are God's chosen people Israel. We should appreciate the discovery of our true identity and we should repent of our national and persona breaking of God's laws and turn to Him for our protection.

This summary is so reduced, it will help to read it again.

Take time to check every scripture, it will become twice as interested, more REAL.

There is no purchase price for the United States and Britain in Prophecy. You may wish to contribute or assist with the Public Outreach Program. Contact US-BritishFuture.com or write to US-British Future, P.O. Box 4877, Oceanside, CA 92052. U.S.A.

Could Prophecy Ignore Us?

Where are The United States and British people mentioned in Bible prophecy? We are the wealthiest nations on earth and the most powerful. Could prophecy ignore us? Prophecy definitely refers to Russia, Germany, Italy, Turkey, Ethiopia, Libya, and Egypt of today. Could it ignore modern nations like Britain and America? The fact is we are mentioned more often than any other people, but our true identity has remained hidden.

Modern nations are not normally spoken of in prophecy by their modern names, except in a few cases. Usually they are referred to by the names of their ancestors. The Arab nations are Ishmael, the Russians are Magog, and the Germans are Asshur. The story of the American and British people's ancestry and identity is the most interesting ever told. It is the story thread of the Bible!

Wealth, power, and national greatness was promised to Abraham. Few have noticed this, "I will make of you a great nation" the national, material promise, and in you shall all families of the earth be blessed." Gen.12:2,3.k.j.v. The same promise is repeated in Gen.22:17,18, Gal.3:8,16 referring to Jesus Christ, and in Gen.17:2-5. "My covenant is with you, and you shall be the father of A Multitude Of Nations."

A Nation and a Company of Nations

These promises were promised again to Isaac, in Genesis 26:4-5, to Jacob in Genesis 27:26-29, where material wealth is added, and later to Jacob, whose name was changed to Israel, "A Nation And A Company Of Nations" shall come from you, and King's shall come from you...." Gen. 35:11. The many nations are eventually to become a Nation and a Company Of Nations or Commonwealth of Nations allied.

The interesting story of the passing on of this birthright from Israel to the two sons of Joseph is found in the 48th chapter of Genesis. Jacob adopted Ephraim and Manasseh as his own legal sons. Gen. 48:16, "let my name be named on them."k.j.v. They were to be called Israel. It is they who rightfully own the name of Israel. "In them let my name be named and the name of my fathers Abraham and Isaac; and let them grow into a multitude...." v16. They were to grow together,

but eventually, as indicated by another prophecy, Isaiah.49:20, their descendants were to separate.

Ephraim would lose Manasseh, to become a separate nation. Jacob said, "he also shall become a people, and he also shall be great: but his younger brother shall be greater than he and his descendants shall become A Multitude Of Nations." Gen 48:19, Ephraim and Manasseh, the sons of Joseph became the birthright holders. Who are the descendants of Ephraim and Manasseh today? Somewhere Ephraim must be a group or Commonwealth of nations, while Manasseh must be the greatest single nation on earth or the Bible is not true!

The Covenant with David

David, like Abraham, received a promise, as little known as the birthright promises to Abraham, the Davidic covenant is unconditional and unbreakable! The throne of David, occupied by Solomon, was to be established "forever" 2 Sam 7:13,14. If that throne ever ceased to exist, God's promise has failed. But some say the promise was conditioned upon the obedience of Solomon and the future line of kings or their people. Notice the scriptural answer to this: "I will be his Father, and he shall be my son, when he commits iniquity, I will chasten him with the rod of men," 2 Sam. 7:14-15.

Note: For this purpose God has used the descendants of Asshur - Assyria, who became Germany, meaning, Men of War! "Assyria, the rod of my anger" Isa.10:5,6. God promises He will never take away this throne from David's line. David's dynasty "Shall Never Cease." Continuing 2 Sam.7:14-15, "And your house and your kingdom shall be made sure forever before me; your throne shall be established forever." v16.

Chapter 2:

Israel Becomes Two Nations

After Solomon broke God's law and sacrificed to idols, he was told most of the kingdom would be taken from his son. I Kings.11:11-13. For the first time, the Birthright goes into one nation Israel headed by Ephraim-Manasseh. David's throne remains in *another nation*, called Judah. The two phases of the promises to Abraham now are divided between Two Entirely Separate Nations! Because most Bible students are not taught this basic distinction, they are unable to understand prophecy.

Students of Bible history have long known that the Ten Tribes-called "house of Israel" have been lost in identity and history and exist today among the foreign nations. Their identity and location hidden

other parts of the world, the gold fields of South Africa, Australia, Alaska and the United States.

The great coal mines of the United States and British Isles the natural waterfalls and means of power and prosperous industrial and manufacturing districts of England and the eastern United States, the fruit lands of our Pacific Coast and Florida. What other nations *combined* ever possessed such material wealth? And nearly all this wealth has come to us after A.D.1800!

Chapter 7:

How Did We Get Our Wealth?

How did we come into possession of all this vast wealth? Did we acquire it through our own human wisdom, energy, ability and power? Let Abraham Lincoln answer: "*We find ourselves* in the peaceful possession of the fairest portion of the earth, as regards fertility of soil, extent of territory, and salubrity of climate....*We find ourselves* the legal inheritors of these fundamental blessings. *We toiled not in the acquirement or the establishment of them.*"

Again, in his proclamation for April 30,1863, for a nationwide day of fasting and prayer, this great president said: "It is the duty of nations, as well as of men, to owe their dependence upon the overruling power of God and to recognize the sublime truth, announced in the Holy Scriptures and proven by all history, that those nations *only* are blessed whose God is the Lord."

"We have been the recipients of the choicest blessings of heaven. We have been preserved, these many years in peace and prosperity. We have grown in numbers, wealth and power *as no other nation ever has grown*, But WE HAVE FORGOTTEN GOD! We have forgotten the gracious Hand which preserved us in peace, and multiplied and enriched and strengthened us, and *we have vainly imagined*, in the deceitfulness of our hearts, *that all these blessings were produced by some superior wisdom and virtue of our own.*"

And because Lincoln saw a nation who had forgotten God, a nation drunk with a success not due to its own efforts, taking all the credit to itself, this great President called upon the nation for a day of Fasting and Prayer to confess this national sin before God. The fate of the nation hung in the balance when he issued that proclamation. But God heard and answered that national prayer and the nation was preserved!

Abraham Lincoln *knew* these great material blessings had not been earned, but had been *given* to our people by God. And we should face the facts today, and *know* that we were given all this vast unprecedented

are.

Israel always did absorb others, who became Israelites through living in Israel and intermarrying. We have become known as the melting pot of the world. Instead of refuting our Manasseh ancestry, this fact actually confirms it. The proof that the United States is Manasseh, is overwhelming. Manasseh was to separate from Ephraim and become the greatest, wealthiest single nation of earth's history. We alone have fulfilled this prophecy. Manasseh was in fact a *thirteenth* tribe.

There were twelve original tribes. Joseph was one of twelve son's. But when Joseph divided into two tribes and Manasseh separated into an independent nation, it became *the thirteenth*. Could it be mere coincidence that it *started*, as a nation, with *thirteen* colonies?

The *birthright* was *Joseph's*, and its blessings have come to the British Commonwealth of Nations and the United States of America, yet the other eight tribes of Israel were also God's chosen people. They too have been blessed with a good measure of material prosperity but *not* the dominance of the birthright.

We lack space for a detailed explanation of the specific identity of these other tribes but there is considerable evidence that they have descended into such Western and North Western European nations as France, Belgium, Holland, Luxembourg, Switzerland, Norway, Sweden, Finland, Denmark and Ireland. The people of Iceland have Viking ancestry. The political boundaries of Europe, as they exist today, do not necessarily show lines of division between descendants of these original tribes of Israel.

The Birthright Wealth

Read again the promises of Genesis. 22:17, and 24:60. Since the birthright relates to nations, the gate of our enemies would be such passes as Gibraltar, Suez, Singapore, Panama. Britain and America came into possession of every major sea gate in this world! World War II hanged on these gates. They have become not only strategic passes, but also the world's greatest fortifications.

Whoever is Ephraim and Manasseh today must have been in possession of the earth's choicest agricultural, mineral, and other wealth, the great gold and silver mines, iron, oil, and coal, timber and other resources. What nations fulfill these prophecies? *Only* Great Britain and America!

More than half of all tillable, cultivatable temperate-zone lands of this earth came after A.D.1800 into the possession of our two great world powers alone! The rich agricultural lands of the Mississippi Valley, the vast wheat and grain fields of the Midwest, of Canada and Australia, the great forest lands of the Pacific Northwest and many

from the world. In this time, when knowledge is to increase, and the "wise" are to understand, Dan.12:4,10, we shall find in prophecy that which could not be understood until now.

In the years 721-718 B.C., the house of Israel was conquered and its people were driven out of their own land-out of their homes and cities-and taken in captivity to Assyria on the southern shores of the Caspian Sea. And *then lost from view!* They became known as the Lost Ten Tribes. Only Judah was left. 2nd Kings.17:18.

In Leviticus 26, we find a warning to ancient Israel, and to us today! If they would worship God *alone*, avoiding idolatry, keep His Sabbath and obey His commandments, they would inherit the national material promises made to Abraham. They would become great, rich, and powerful, the dominant nation of the entire earth. But, if they refused, they were to be punished seven times a duration of 2520 years, to be explained later.

The house of Israel entered 2520 long years of national banishment, to last until A.D.1800! And because they lost the sign of the Sabbath, they lost their identity! In Exodus 31:12-17. it is recorded that God made the Sabbath the *sign* between Himself and Israel. A sign identifies. God set apart the one day for our rest which could keep us always in the true worship of the true God, the day that pointed back to creation, which is the proof of God's existence.

When Israel rejected the Sabbath they soon rejected God Himself, and practiced idolatry. The Sabbath identified Israel as God's people, all other nations had departed from its observance, Israel was the only nation which kept it. Because they refused to maintain this SIGN, they went into national captivity, and lost their identity, Ezek.20:10 -24. They would lose their language, their religion and their land. Isa. 8:17; 28:11; 40:27; Jer.16:13; Hos.1:8-10; 2:2-6.

By what name are they known today? It is they, who are the Birthright possessors. It is they who, after the ending of their punishment in A.D.1800, would inherit the unbreakable promises of national greatness, resources, wealth and power. It is Manasseh who, after A.D.1800 was to become the world's greatest single nation and Ephraim a great Commonwealth Of Nations! Who are they today?

Chapter 3:

The Commission

When Israel was taken into Assyrian captivity, 721-718 B.C, the Kingdom of Judah had not yet broken God's laws as a nation. But later they did, Jer.3:8,11. And more than 130 years after Israel's captivity, the time came when the Nation of Judah also went into national captivity. They were taken as slave labor to *Babylon* - *not* to Assyria where Israel had been taken.

Jeremiah was used as a prophet to warn Judah of the coming

invasion and captivity, he was also used as a mediator between the kings of Judah and the Chaldean king. He was involved as the throne was removed. Then what was Jeremiah to do? The *second half* of his little understood commission—to plant and to build! Jer.1:10.

It appeared the last king to sit on the throne of David was Zedekiah, he and the throne were removed from Judah in the year 585 B.C. So far as the world could see or has seen since, the dynasty of David had ended! No king remained on the throne. But how about the second part of Jeremiah's important commission? Was God able to keep His covenant with David?

"Then went Jeremiah unto Gedeliah....to Mizpah; and dwelt with him, among the people that were left in the land." Jer.40:6. "Then Ishmael took captive all the rest of the people including 'The King's Daughters'." Jer.41:10. King Zedekiah had died in prison in Babylon Jer.52:11. All his sons had been killed. All possible heirs to Zedekiah's throne had been *killed except the King's Daughters!* Now we see why Jeremiah went to Mizpah! Then Jeremiah and his company were to journey to a new land.

Isaiah completes this prophecy: "For out of Jerusalem will go a remnant....a band of survivors" Isa 37:32, 31. These with Jeremiah, at least one of the king's daughters—"shall *take root downward!*" That is to be replanted, to re-establish the throne. Has God failed in His covenant to keep alive David's throne? Where was this planting and building, can we find it in the Bible? We can! The nation and people among whom the throne was re-established are clearly identified!

Chapter 4:

Israel's New Land

We can search out the actual location of the lost nation's of Israel. We know they exist today as a Nation, and a Company of Nations, and when we find them we shall find the throne of David! When David was promised that God would preserve his throne, He said, "I will *set* his hand- scepter- also *in the sea*" Ps 89:25. The throne is to be "set," planted, "in the sea."

Jeremiah wrote, "....Go, and proclaim these words toward the north," Jer.3:11-12. Israel is clearly distinguished from Judah. Of course Israel was north of Judah while still in Palestine, but when these words were written by Jeremiah Israel had been removed from Palestine more than 130 years and had migrated, *with* the Assyrians, north and west of Assyria's original location.

And in these later days messengers are to go "toward the North" of Jerusalem in order to locate lost Israel and announce 'this warning'. So the location, we now find, is toward the north, also west, and in the sea. Then v18, same chapter, says, "In those days the house of

promises, to be fulfilled only in Ephraim and Manasseh, could not be inherited until the end of their 2520 years national punishment. The house of Israel went into Assyrian captivity in 721-718 B.C. Therefore it *could not* come into the vast national wealth and resources of the birthright until A.D. 1800.

The Nation and Company of Nations

In A.D.1800 the United Kingdom and the United States were small and insignificant among the earth's nations. The United Kingdom had only the British Isles, a very small part of India and Canada and a few little islands. The United States consisted only of the original 13 colonies and three added states. Neither possessed any great wealth or power.

But beginning in 1800 these two little nations began to grow into vast national riches and power such as no people ever possessed. Soon Britain's empire spread around the world, until the sun never set upon her possessions. Canada, Australia and South Africa were given dominion status, made free and independent nations, ruling themselves independent of England, a *company*, or commonwealth of nations joined together, not by legal government, *but solely by the throne of David!* The British Royal Family.

The British Commonwealth of Nations was the *only* Company Of Nations in all earth's history. Could we so *exactly* fulfill the specifications of the birthright, and not be the birthright people? The United States expanded rapidly in national resources and wealth after 1800, but reached world dominance among nations later than the British Commonwealth. It became a world power by the end of World War I.

The United States is Manasseh

But how can the United States be Manasseh, when a large part of the population has come from many nations besides England? The answer is this: A large part of Manasseh remained with Ephraim until the separation of New England, but our forefathers were to be sifted through many nations, as corn through a sieve, yet not a grain to fall to the earth or be lost. Amos.9:9. Our people did filter through many nations.

Ephraim and much of Manasseh finally immigrated to England together, but many others who had filtered into and through other nations did not leave them until they came, as immigrants, to the United States after the New England colonies had become the separate nation. This does not mean that *all* foreigners who have immigrated into this country are of Manasseh, but undoubtedly many

Withheld 2520 Years!

The Most Remarkable Fulfillment of biblical prophecy in modern times was the sudden rise of the two most powerful world powers, one, a commonwealth of nations forming the greatest world empire of all time; the other, the wealthiest, most powerful nation on earth today.

These birthright people came, with incredible suddenness, into possession of more than two-thirds, nearly three-fourths, of the cultivated wealth and resources of the whole world! This sensational spurt from virtual obscurity in so short a time gives incontrovertible proof of God's inspiration. Never in all history did anything like it occur. But why did this unprecedented national wealth and power come to our birthright inheritors only after the year A.D.1800? Why did this national dominance not come to Ephraim and Manasseh long ago.

The Seven Prophetic Times

In the 26th chapter of Leviticus, Israel, then one nation from 12 sons was given the promise that if they followed God's civil statutes, obeyed His commandments and ordinances, they should immediately inherit the vast national promises of the birthright. God promised to give them rain, and make them wealthy and prosperous. They were to become so powerful they could defeat every enemy-five of them chase a hundred; a hundred of them put ten thousand to flight. Possible today by modern weaponry.

But beginning verse 14, if they disobeyed, God warned them they would become the slaves of other nations and go into national punishment-the birthright blessings being withheld for a duration of 2520 long years! Notice verse 18. "And if in spite of this you will not obey me, I will continue to punish you sevenfold for your sins." It is important to understand this.

This expression 'sevenfold' is translated into the English from a Hebrew word, which conveys a dual meaning. The original Hebrew word Moses wrote is *shibah*. It is defined as 'seven times,' and also as sevenfold. The seven times implies *duration* or *continuation* of punishment. But the word also means seven times greater *intensity* of punishment! Seven times more intense! In prophecy a 'time' is a prophetic 360-day year, in ancient biblical times, a year was figured on a basis of twelve 30-day months. And, during Israel's punishment, each *day* represented a *year* being fulfilled. Numbers 14:34, Ezekiel.4:4-6.

Seven of these 'times' would be 2520 days, and on a day-for-a-year basis, 2520 years! It must be emphasized that the birthright

Judah shall join the house of Israel, and together they shall come from the land of the north to the land that I gave your fathers for a heritage."At the future exodus, they are to return to Palestine out of the land of the north!

Hosea wrote, "his sons shall come trembling *from the west*" Hos.11:8,10. Again: "...I will bring them from the north country, and gather them from the farthest parts of the earth" Jer.31:8. This prophecy is for consideration "in the later days" Jer.30:24;31:1 and is addressed to "Israel" v.2,4,9, to "Ephraim" v.6,9, and "Samaria" v.5. Here is added -"the coasts of the earth" v.10. evidencing they are dominant at sea and indicating they have spread abroad widely by colonization.

Referring to the house of Israel "these shall come from afar, and these from the north and from the west, and these from the land of Syene," Isa.49:12. In the Hebrew, the language in which this was originally inspired, there is no word for "northwest," but this term is designated by the phrase, "the north and the west." It means, the Northwest! The Vulgate renders "Syene" as "Australi," or "Australia."

Israel, Ephraim of today, where David's throne was re-established, is located specifically Northwest of Jerusalem, and 'In The Sea'! Let us locate this land more specifically! The 49th chapter of Isaiah begins with this: Listen, 'O Isles', unto me. The people of Israel, are called 'O Isles' in the first verse and 'O Israel' v3 k.j.v. This term isles or islands is sometimes translated "coast lands."

The 31st chapter of Jeremiah locating the descendants of Israel in the north country, says, "I am Israel's father, and Ephraim is my firstborn son." "Hear the word of the Lord, O nations, and declare it in the Isles afar off..." Jer. 31:9-10 k.j.v. Again: "Be silent before me, you islands...But you, Israel, my servant, Jacob, whom I have chosen." Isa. 41:1, 8. k.j.v. In Jer.31:10, the message is to be declared "In the isles afar off" and in "the Chief Of The Nations." v.7.

So finally today as in Jeremiah's day, the house of Israel is "In the Isles," which are "in the sea" the chief of the nations, northwest of Jerusalem. A coast-dwelling and therefore, sea dominant people! Certainly there can be no mistaking that identity! Take a map of Europe. Lay a line due northwest of Jerusalem, across the continent of Europe, until you come to the sea, and then to the islands in the sea! This line takes you directly to the British Isles!

Britain's Hebrew Names

Israel-America and Britain are the covenant people. The Hebrew word for "covenant" is *beriyth*, or *berith*. The Hebrew for man is "*iysh*," or "*ish*." In English, the ending "ish" means "*of or belonging to*

a specified nation or person.” In the original Hebrew language vowels were never given in the spelling. So, omitting the vowel “e” from *berith*, but retaining the “i” in its anglicized form to preserve the “y” sound, we have the anglicized Hebrew word for covenant, “*brith*.”

The Hebrews, never pronounced their “h’s.” Some Jewish people even today, in pronouncing the name Shem, will call it Sem. Incidentally this ancient Hebrew trait is also a modern British trait. So the Hebrew word for “covenant” would be pronounced in its anglicized form as *brito*. And the word for “covenant man,” or “covenant people,” would be simply, “British.” And so, is it mere coincidence that the true covenant people today are *called* the “British”? And they reside in the “British Isles.”

Abraham was told, “Through Isaac shall your descendants be named,” and this is repeated in Romans 9:7 and Hebrews.11:18. In Amos. 7:16 called “the house of Isaac.” They were descended from Isaac, and are Isaac’s sons. Drop the “I” from Isaac vowels are not used in Hebrew spelling, and we have the modern name Saac’s Sons, or in shorter manner, Saxons. Dr. W. Holt Yates, Yale University said, “The word ‘Saxons’ is derived from ‘sons of Isaac,’ by dropping the prefix ‘I’.”

Chapter 5:

Highway Signs

As God intended that ‘lost’ Israel was to be located and found in these last days, we should expect some kinds of signs or way marks to have been left along the trail by which ancient Israel journeyed from Assyria, the land of their original captivity. Speaking to Ephraim, Jeremiah 31v.20. They are told in Jeremiah 31:21, “Set up way marks; put up guideposts. Consider well the highway, the road by which you went....” In Scripture we find the “way marks,” or highway signs, which they set up along the road.

The descendants of Dan occupied two different districts, or provinces in Israel before the Assyrian captivity. One colony lived on the seacoast of Palestine. They were principally seamen, and it is recorded Dan abode in ships. Judges. 5:17. When Assyria captured Israel, these Danites sailed west through the Mediterranean and north to Ireland.

David declared of Dan, “By an east wind he did shatter the ships of Tarshish” Ps. 48:7. An east wind travels west. Along the shores of the Mediterranean they left their trail in the names, Den, Don, Din.

Irish annals and history show that the new settlers of Ireland, at just this time, were the “Tuatha de Danaans,” which translated meant “Tribe of Dan.” Sometimes the same appears simply as “Tuathe De,” meaning the “people of God.” And in Ireland we find they left these way

marks: *Dans-Laugh*, Dundalk, *Dun-drum*, *Don-e gal* Bay, *Don-e gal* Town, *Dun-glow*, Dingle, *Dunsmor*, meaning more Dan’s. Moreover, the name Dunn in the Irish language means the same as Dan in the Hebrew: judge.

But the northern colony of Danites were taken to Assyria in the captivity, and with the rest of the ten tribes they traveled from Assyria by the overland route. After leaving Assyrian captivity they inhabited for some time the land just west of the Black Sea. There we find the rivers Dnieper, Dnister, and the *Don*. In either ancient or later geography, we find these way-marks: *Dan-au*, the *Dan-inn*, the *Dan aster*, the *Dan-da ri*, *Danez*, *Don*, *Dan*, and the *V-Don*; *Er i-don* down to the *Danes*. *Denmark* means “Dan’s mark.”

When they came to the British Isles, they set up the “way mark” names of *Dun-dee*, Dun-raven; in Scotland the Dan’s, Dons and Duns are as prolific as in Ireland. And so the “serpent’s trail” of Dan sets up way marks that lead directly to the British Isles!

Ancient Annals of Ireland

Long before 700 B.C., a strong colony called “Tuatha de Danaan” tribe of Dan arrived in ships, drove out other tribes and settled there. Later, in the days of David, a colony of the line of Zarah arrived in Ireland from the Near East.

Then in 569 B.C. Jeremiah, an elderly white-haired patriarch, sometimes referred to as a “saint,” came to Ireland. With him was the princess daughter of an eastern king and a companion called “Simon Brach,” spelled in different histories as Breck, Berech, Brach, or Berach. The princess had a Hebrew name Tea Tephi -‘beautiful wanderer.’

This royal party included the son of the king of Ireland who had been in Jerusalem at the time of the siege. There he had become acquainted with Tea Tephi. He married her shortly after 585 when the city fell. Their young son, now about 12 years of age, accompanied them to Ireland.

The son of this later king Herremon and Hebrew princess continued on the throne of Ireland and *this same dynasty has continued unbroken*, through all the kings of Ireland; was overturned and transplanted again in Scotland; again *overturned* and moved to London, England, where *this same dynasty continues today*. King George possessed a chart showing his ancestry, *every generation*, back to Herremon and Tephi, to Zedekiah, back to David.
